

Poseidon TECHNICA drysuit (MEN'S) and VESTA drysuit (LADIES')

This is your last chance to buy one of these suits at the special price of **£649** (RRP was **£767**)....

Manufactured from the best quality 5mm double lined compacted diamond weave neoprene, the Technica and Vesta also come with toughtex protective pads, a rear entry zip, a cargo pocket, inflation and exhaust valves, a direct feed hose, a separate hood and a large carry bag.

(The new suit that Poseidon has developed, **The Flexisuit**. is made out of 3 mm HD neoprene super stretch neoprene. It's a great suit, but at an RRP of £1100, it may be outside many budgets.) So grab a bargain with a tried and tested Poseidon Technica or Vesta now.

Used by professional divers and scientists worldwide.
